TO: ALL PRACTITIONERS

02 April 2026

**IN RE: DIRECTIVE FOR THE URGENT COURT OF 07 APRIL 2026 (10:00)  
TO 10 APRIL 2026 (16:00) BEFORE JUDGE BAM**

1. An allocation does NOT mean that the matter is considered sufficiently urgent to be heard on the merits. Submissions will need to be made regarding the grounds of urgency.
2. All cases MUST be created on Court Online and linked to Caselines so that the matters appear and are accessible to the Court on Caselines. Therefore, all necessary documents must be available on the Caselines platform. If any problems are experienced, the Judge's registrar must be contacted TIMEOUSLY.
3. A practice note must be filed setting out the following:
  - 3.1. The grounds for urgency and where it appears in the founding affidavit;
  - 3.2. Nature of the relief sought;
  - 3.3. Total number of pages;
  - 3.4. An indication which portion of the papers must be read and which not;
  - 3.5. The estimated duration of the matter;

- 3.6. The reasons for deviation if there is non-compliance with the updated Practice directives for urgent court;
- 3.7. Contact details for both legal practitioners (counsel and attorney of record), which must include both cell phone numbers and email addresses.
4. Where no certificate of urgency has been filed and/or no practice note has been filed the matter will be struck from the roll unless good cause is shown for non-compliance as per the directive issued.
5. Please also note that the master bundle must be properly indexed and paginated and uploaded. Each document must be individually identified in the master bundle, including annexures. If not, it will result in your matter being struck from the roll. This must be attended to before 16h00 Thursday 03 April 2026.
6. The profiles on Caselines will be frozen at 16h00 on Thursday, 02 April 2026. No piecemeal filing of affidavits will be allowed.
7. In all opposed matters, heads of argument must be filed by both parties.
8. Return dates will be provided by the Judge's Registrar upon request.
